Introduction from the National Professionals Parliamentarian

Potential NSBE Leader,

The Professionals Executive Board (PEB) is responsible for setting direction and policy for the professional membership of the organization as well as monitoring the results to ensure the organization is achieving its mission. Serving the membership on the national and regional level will both challenge and broaden your horizons. Please ensure you fully understand the commitment ahead of you and seek advice in preparation for this level of leadership, as you will be responsible for the development of thousands of members. Please pay special attention to term lengths for each position.

To ensure your preparedness for your future leadership role, we have a National and Regional Candidate certification process in place. This handbook outlines the process and requirements. All Professionals Executive Board (National & Regional) applications are due Friday, February 21, 2020.

I commend your initiative to further our mission by seeking a position at the national and regional level of this organization.
