

# Dr. Tiffini Andorful

Chief Programs & Membership Officer, National Society of Black Engineers (NSBE)

Dr. Tiffini Andorful serves as Chief Programs & Membership Officer at the National Society of Black Engineers (NSBE), where she leads program strategy, member engagement, and organizational partnerships. She focuses on expanding NSBE's reach and impact to support Black students and professionals in STEM, cultivating a thriving, diverse engineering community.

---

## Career Bio

Dr. Andorful began her career as a ninth-grade social studies teacher in Washington, DC, through Teach For America. She later held leadership positions at nonprofit organizations including Raise DC and CityBridge Education, focusing on partnerships, enrollment, and community engagement. Prior to NSBE, she served as Vice President of Partnerships & Enrollment at Relay Graduate School of Education.

She earned a B.A. in Sociology from Spelman College, an M.A.T. in Secondary Education from American University, a Ph.D. in Cultural & Education Policy Studies from Loyola University Chicago, and a Nonprofit Management Executive Certificate from Georgetown University.

In the November 2024 general election, Andorful was elected to the Prince George's County Board of Education, representing District 1. She officially assumed office on December 2, 2024.

---

## Topics Dr. Tiffini Andorful Can Speak To:

- **STEM Education Access & Equity**
  - Importance of early STEM exposure in K-12 schools.
  - Building sustainable STEM curricula and career-technical pathways.
  - The role of public-school systems in creating future engineers.
- **Data-Driven Education Policy**
  - Using district and national data to identify achievement gaps in math and science.
  - How educational data can guide policy and funding decisions for STEM programs.
- **Policy & Advocacy in Education**
  - The need for engineers and STEM leaders to inform public policy.
  - How non-advocacy organizations (like NSBE) can still influence policy responsibly.
- **Coalition Building & Community Engagement**
  - Forming collaborations among schools, churches, and universities.
  - Creating shared-impact partnerships that go beyond funding metrics.
- **Local Impact Stories (DMV Area)**
  - Highlighting local NSBE chapters in Washington D.C., Maryland, and Virginia.
  - Examples of county-level STEM initiatives and their results.
- **Student Achievement Spotlights**
  - Featuring exceptional student stories and pairing them with her educator perspective in joint media pieces.
